

How to Send in Your Tools for Sharpening Instructions

Step 1: Download and print Sharpening Service form

- Download and print the "Veterinary Dental Instrument Sharpening Service" form and fill it out to completion.
- Download the form [here](#).

Step 2: Package and print your own shipping label

- Carefully package your instruments in a secure box.
- Purchase/create your own box shipping label.
- In the "attention" line please write: "Sharpening Dept. Veterinary Dental Specialties."
- Note: All shipments MUST require a signature to eliminate your packages being lost or stolen etc.
- Write down the tracking number (you'll be asked for it in Step 3).
- Ship your package.

Step 3: Complete the Contact Me Survey

Click the "Contact me" Survey to let us know what you're sending. The survey is short but it will include the following:

- Your business name
- Tool type and quantity of tools
- Shipping tracking number

[Here](#) is the Contact Me Survey

Step 4: We'll be in touch

Your work is done! Once the survey is received will send a confirmation email.
